THANKS "BJ" —Every Rotary Club President soon realizes that the privilege of "Leading The Way" is a big job. The wide-ranging involvement of Rotary in its many local and world-wide programs, demands the President's attention daily. At the conclusion of each President's year, handing over the gavel to the in-coming President is an occasion of considerable relief. This past Monday was such an occasion, all the more memorable as out-going President BJ Small had done all this before, 1998-1999, the first Rotary Club of Gettysburg President to serve two terms. BJ stepped up to the plate when the about-to-be President accepted a position which took him away from this area. At the last meeting of the 2006-2007 Rotary year, the Club stood to recognize and applaud BJ's leadership and to express their appreciation for his extra measure of dedication.

Incoming President Mark noted the extensive involvement of Rotary this past year, both in memorable club programs as well as in service to the community:
