

09.17.09

To: All 2008-2009 Recipients of Rotary Club of Gettysburg Community Fund grants

Thank you for your steadfast, long term, and in many instances, volunteer efforts in our community and for our people! Your hours of work and service truly make a difference to the quality of life in Gettysburg and Adams County.

The Rotary Club of Gettysburg has been honored to help support your projects in the past and desires to continue this year. In 2008-2009, we awarded about \$41,000 among 36 projects, 88% of which served Adams County. As you know, times are now more challenging, fundraising more difficult and unfortunately, Rotary has significantly fewer funds available for 2009-2010. Ouch! We share your frustration as you stand on the frontlines with shrinking resources, yet try to serve people and projects with increasing needs.

Stay encouraged! We press on together. Attached is a grant application to the 2009-2010 Rotary Club of Gettysburg Community Fund which awards funds needed by 06.30.10. Use additional paper to answer the questions; submitted applications are typically 2-4 pages in length. The application is also available at www.gettysburgrotary.org.

Applications are due Friday, 10.09.09.

Delivery: Applications may be hand delivered, emailed or faxed to me. They may be mailed if you allow enough time for postal delivery and our volunteer's pick up at the post office before 10.09.09. If you cannot submit the application by the 9th but wish to be considered for funding later in the year, talk to me. Feel free to ask me your questions.
