Nathan expressed his gratitude to Rotary for the funding.

#### FLU SHOT FINALE

The Rotary Club of Gettysburg is working with Wellspan Health for one more community based flu shot event to be held at the Lincoln Elementary School on Lefevre Street in Gettysburg on **December 10**. Children aged 9 through 18 will receive free flu shots. The shots will be given after school from 3 PM until 5:30 PM. We are hoping that parents who pick up their children will take advantage of this unique opportunity to protect their families. The Rotary Club is looking for a few volunteers to help with the event.

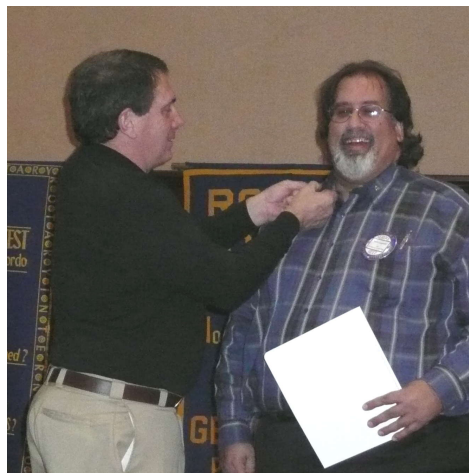

Please let Scott know if you can help.

#### TODAY'S PROGRAM:

Matt Turley exhibited courage when he agreed to step in for today's speaker who didn't show up. Matt's made 37 successful airplane jumps in his life so he was up to the challenge of giving his classification speech several weeks earlier than scheduled. *(It is difficult for me to understand why any sane person would want to jump out of a perfectly functioning airplane! jds)*

Matt's the general manager of Country Inns and Suites. He explained that the hospitality industry is all about people, from guests to staff. He shared his enthusiasm for helping his guests enjoy their stay or to "get through" their visit if it's for a funeral or other sad occasion.

"Son of a Preacher Man", Matt is a 1985 graduate of Morgantown High School in West Virginia. His father, a Methodist minister, is also a Rotarian. Matt joined the military and, after his discharge, used the GI Bill to pursue his education. Recently married in April, he has a 13-year old son from a previous marriage. He's coached 4-5 football at Littlestown. Matt helps promote the Capitol Steps fundraiser at his hotel with a special package deal for the March performance. (see page 2)

#### New member induction

President Scott inducted new member David Laughman, sponsored by John Kramb. Welcome, David!

## ROTARY FOUNDATION —PAUL HARRIS FELLOWS

Bob Gough reminded members that Rotary will do a \$500 match for any prospective first time Paul Harris fellows. His message follows.

*As Rotarians, you may be aware that contributions to the Rotary Foundation are tax deductible and the calendar year is ending soon. Gettysburg Rotary Club will match up to \$500 (in points or money) for an individual seeking to become a Paul Harris Fellow. However, there are limits of both time and funds for this offer.*

*Please let me know by Monday, December 8, 2008, if you are interested in this proposal. We are especially desirous of new Rotarians taking advantage of this program. You may contact me at our meetings, by e-mail or by 'phone.*

*Thanks,  
Bob Gough  
Foundation Chair*
