THE 1ST ANNUAL ROTARY PICNIC Saturday, September 15th

Your editors were motoring (yes, *driving!!*) home from Georgia on Saturday afternoon in glorious, cool, wonderful weather, saying how much they wished they could have been at the picnic and how lucky it was that the club had such great weather for the event. Well, we have since learned that the cold, windy conditions here in Gettysburg on Saturday did not make for a very pleasant day. However, about 20 Rotarians and family members were there and from all reports had a great time eating, talking and enjoying each other's company. A good day for good fellowship!

There were games for the kids, Randy Parmentier cooked some wonderful beef, Janet Dell and Robin Fitzpatrick planned the whole event so well, and others brought delicious offerings to share. **THANKS** to them and to all who participated! Also from what we hear, the Picnic is a GO for next year!!

Reminder— since the Picnic took the place of the regular weekly Rotary meeting it counted as a meeting, **if** you were there. If you were absent, try a make-up.
